```

The diagram illustrates a dependency or registration process. On the left, there are two white rectangular boxes. The top box contains the text 'Ikarus::Python::register LinearElastic' and the bottom box contains 'Ikarus::Python::register NonLinearElastic'. Arrows from the right side of both boxes point towards a single gray rectangular box on the right. This gray box contains the text 'Ikarus::Python::register CalculateAt'. The arrows indicate that both the 'LinearElastic' and 'NonLinearElastic' registration functions are required or lead to the 'CalculateAt' function.
