

Ikarus::Python::register
KirchhoffLoveShell

Ikarus::Python::register
LinearElastic

Ikarus::Python::register
Element

```
graph LR; A[Ikarus::Python::register KirchhoffLoveShell] --> C[Ikarus::Python::register Element]; B[Ikarus::Python::register LinearElastic] --> C;
```

The diagram illustrates a registration process. On the left, there are two white rectangular boxes. The top box contains the text 'Ikarus::Python::register KirchhoffLoveShell' and the bottom box contains 'Ikarus::Python::register LinearElastic'. On the right, there is a gray rectangular box containing the text 'Ikarus::Python::register Element'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating that both registration functions are being mapped to the same 'Element' registration point.
