

```
Ikarus::LinearSolverTemplate  
::LinearSolverTemplate
```

The diagram consists of a light gray rectangular box with a black border. Inside the box, the text "Ikarus::LinearSolverTemplate" is on the top line and "::LinearSolverTemplate" is on the bottom line. Above the box, a blue curved arrow starts from the top edge of the box, arches upwards and to the right, and then points downwards with a solid blue arrowhead back to the top edge of the box, indicating a self-referencing relationship or a recursive definition.
